

OMGWTF? SE NN AVETE ADSL VI FONDE IL MODEM.

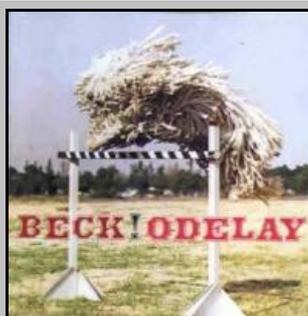

Questa pagina è nata da un discorso che stavo facendo con Rosalex una notte in chat su come si è evoluto negli anni il nostro gusto musicale. Tenendo conto del fatto che mi è molto difficile, se non impossibile, ricordare esattamente cosa ascoltavo in un determinato anno, questa linea temporale vuole essere solamente una vaga idea della mia evoluzione musicale. Per ogni anno saranno inseriti all'incirca gli artisti che mi piacevano maggiormente e gli album che più mi hanno segnato in quel determinato periodo.
